A student who is found copying or using any unfair means during a test/an examination will be instantly expelled from the examination hall and be also subject to disciplinary action.

The decision taken by the Examination Committee in this matter will be final.

EXTRA CURRICULAR ACTIVITIES

We at B.S.G.D.S Junior College believe in promoting the overall personality of every student. We offer the students a fairly extensive range of extra curricular activities. These activities are conducted by the following associations.

STUDENTS' COUNCIL

Students' Council is an important association of the college and is managed by the Students' Council Incharge and assisted by Members from all classes of F.Y.J.C. and S.Y.J.C. This association organizes various entertaining programmes, which are competitive as well as non competitive in nature and are spread throughout the year. It motivates students to participate in various events, celebration of Days and Inter-Collegiate cultural competitions.

ENGLISH LITERARY CLUB

It organizes competitions, writing of short stories, poems, etc. and other literary activities based on English Language and Literature and General Knowledge. The aim of such competitions is to develop the communication and debating skills of students.

HINDI SAHITYA PARISHAD

It conducts programmes and competitions like essay writing, competitions, elocution debates and other activities or the improvement of students vocabulary.

GUJARATI SAHITYA SABHA

The programmes and competitions conducted by the Gujarati Department are on similar lines as that of English and Hindi Departments. This association also has a unique feature of organizing competitions in vocal music, which is very popular among students.

MARATHI WANGMAYA MANDAL

The Marathi Department organizes and conducts various programmes. Apart from Essay-writing, debates and elocution competitions, this association also organizes Magic Shows, small plays and such other programmes by inviting dignitaries from the Marathi Natya Jagat.

COMMERCE ASSOCIATION

Different activities, programmes, lectures, seminars and competitions are organized by this association, to develop various skills and commercial awareness in the students.

Mathematics Association

It conducts competitions and quiz programmes based on Mathematics to improve analytical and quantitative skills of students.

GEOGRAPHY ASSOCIATION

This association organizes Educational field tours to different places of geographical importance, in and around Maharashtra. It also conducts exhibitions based on geographical phenomena and environmental issues.

GYMKHANA

It aims at encouraging students to participate in both indoor and outdoor games and enhancing their skills. It conducts various tournaments, organizes the Annual Athletic Meet at the Collegiate level and sends students to represent the college at various Inter-Collegiate district, state and national level competition. Our college also conducts various Inter Collegiate tournaments to encourage students.

STUDENTS' AID FUND

1. Book Bank Facility
2. Fees Concession

Above facilities has been extended to the economically backward students to enable them to continue their education.

N.S.S.

The NSS unit in the college enrolls students as per NSS guidelines and directions of the Maharashtra State Board of Higher Secondary Education. The unit provides an opportunity to students to develop organizational skills and leadership qualities and a sense of social consciousness. Various projects are undertaken by its volunteers. Camps to nearby places are also arranged for them during the academic year.

GUIDANCE AND COUNSELING CELL

This cell helps students identify, understand their personal and psychological problems and guides them to find solutions. Any student from Arts, Commerce and Science faculty can avail of this service provided by a qualified counselor. With its help, students also learn to identify their own potential and set goals to achieve self-actualization and better adjustment in today's competitive world. The Cell is run with the help of a qualified counselor.

TUTOR SYSTEM

We, in our institution, have a unique system known as the Tutor System. In this System a class consisting of 120 students are divided into 3 batches of approximately 40 students each.

Each batch of 40 students is in charge of a tutor a teacher who teaches in that particular division. The tutors maintain the personal data of the students.

Parent-tutor meetings are held regularly. Performance in the Examination or Test and General behaviour of the student are also discussed in this meeting. Feedback forms are provided in which Student / Parents write more about their difficulties and give their suggestions for improvement. The tentative dates of the Tutor Meetings for the Academic year are mentioned in the academic calendar provided to the students in the month of July.

Details of students attendance are displayed on the notice board and college website every month. Parents or Student having less than 75% are intimated to meet the college authorities and thus they become aware of the regularity of their wards in the college.

This system has been a great success and parents too have appreciated it.

THE COLLEGE MAGAZINE: 'SANKALP'

The college magazine 'Sankalp' is published annually. Contributions in the form of essays, short stories, poems, articles, riddles, sketches, cartoons, jokes, etc. are invited from the students as well as teachers. Due weightage is given to all languages taught in the college.

STUDENTS HELP CENTRE

MENTOR SYSTEM

The College designates a faculty member as mentor for a group of 30-40 students. The mentor meets the students once a month, in a group and interacts with them about their academic and personal difficulties and helps to sort them out. A student can access his/her mentor any time when there is a difficulty.

PART TIME JOB OPPORTUNITIES

The College will try to provide part time employment in the college to needy students (18 years and above) subject to availability of suitable work.

LANGUAGE LAB

Students who are weak in English are

encouraged to use the College's state-of-the-art Language Lab to hone their skills in spoken and written English.

COUNSELLING CENTRE

Students are counselled by expert psychologists about their grievances and issues. The discussions are kept confidential. The students are suggested various therapies to handle their difficulties.

STUDENTS' AID FUND

The College has established a Students Aid Fund to help needy and deserving students. The needy students are provided books from the Book Bank and fees on merit basis.

INTERNATIONAL COLLABORATIONS

Nagindas Khandwala College (NKC) and University of South Carolina Beaufort has entered into a Memorandum of Understanding (“MOU”) to promote international and intercultural understanding and academic cooperation and collaboration.

The college is also entered into MoU with University of Frazer Valley, Vancouver, Canada for IT/ CS students. It is an unique programmes where the students can study for two years in Nagindas Khandwala College and two years at Frazer Valley University. The student will be awarded the under graduation degree from Frazer Valley University.

Royal Roads University offers a similar option of 2+2 for the commerce students. Our college has signed a MoU with this University also.

An MoU is also under the way with University of Canberra, Australia for 2+1+1 ½ years programme i.e. two years in Nagindas Khandwala College, one year in University of Canberra to complete the under graduation programme followed by 1 ½ year of MBA programme. The programme will also be applicable to the Commerce students.

UFV is located in the beautiful Fraser Valley just east of Vancouver, British Columbia, Canada. The University of the Fraser Valley (UFV) is a fully accredited, public University that enrolls approximately 15,000 students per year. UFV has campuses and locations in Abbotsford, Chilliwack, Mission, Hope and Agassiz, and a growing presence in Chandigarh, India.

Drive any direction and you are sure to find adventure. In less than an hour, you can get to ski hills, the ocean, or the City of Vancouver. Or drive five minutes to visit the USA.

Even during the winter months, the Fraser Valley remains green, averaging only a few days of snow each year. You can enjoy nature all year-round, choosing from a range of fun activities, including hiking, swimming, biking, rafting, golfing, fishing, snowboarding, skiing, and more.

DEPARTMENTS

ACCOUNTANCY DEPARTMENT

'Accountancy and Financial Management' is one of the core subjects in B.Com. It caters to one major subject in F.Y.B.Com. & S.Y.B.Com., whereas in T.Y.B.Com. It covers three major papers viz., Advance Accounts - Paper I, Auditing & Costing - Paper II and Management Accounts - Paper III. Further Paper IV - Direct & Indirect Tax is an optional subject, which is taught by Accountancy Department. The syllabus is framed by the University. The students are given latest information and taught current developments, so that they can be readily absorbed by the industry. The department also introduced a Basic & Advance Level Course on Accounting with Tally.

COMMERCE DEPARTMENT

The Commerce Department is one of the core departments of the College. The department offers, in addition to the compulsory Commerce papers, Advertising and Export Marketing (Ancillary Component Group Papers) as optional subjects at S.Y.B. Com/ S.Y.B.A. and T.Y.B.Com. respectively.

ECONOMICS DEPARTMENT

The Economics Department is a core department for both the faculties of Commerce as well as Arts and gives the students an opportunity to major in the subject of Economics at T.Y.B.A. level. We also offer M.A. in Economics in our College

GEOGRAPHY DEPARTMENT

The Geography Department offers an opportunity to the students to major in the subject of Geography at T.Y.B.A. level. The study of Geography is made interesting through the use of technological aids like audio-visual equipments, surveying instruments, topographical maps, NATMO, thematic maps, GIS Remote Sensing and Aerial Photographs amongst a host of other equipments and techniques with a well-equipped Laboratory. The Department of Geography-(Six papers), established in 1995, offers courses in First year, Second year and Third year B.A. classes, Environmental Studies in F.Y.B. Com class, Travel and Tourism Management (Add-on Course) for B.A. and B.Com. and has started Master's Degree from the academic year 2006-07. The Department prepares students from the Arts faculty for the B.A. and M.A. Degrees of the University. The department also conducts a course in GIS Remote Sensing.

PSYCHOLOGY DEPARTMENT

The Psychology Department of the College is the only department in this part of the western suburbs that gives the students an opportunity to major in the subject of Psychology. The subject is keenly sought after and only students with good grades are able to procure a place. An experienced faculty with specialisation in diverse fields of Psychology and excellent infrastructure facilities in the form of a well-

equipped laboratory and a spacious classroom has made the study of Psychology a joy for the students. This is reflected in the excellent results over the years. The Department also offers counseling and guidance services to other students in the College.

ENGLISH DEPARTMENT

Communication in English is essential in the modern age. Hence members of the Department of English are shouldering the responsibility of developing the communication skills of students. The Department conducts tutorials and gives assignments & projects to students for the development of skills in the English Language.
