Mumbai: Prime Minister Narendra Modi, who flagged off the Metro 2A and 7 services on Thursday, boarded the train from Gundavali station for a short ride after his event concluded at the Bandra-Kurla Complex.

While travelling in the Mumbai Metro, the PM interacted with Mumbaiers and Metro employees.

A video of the PM's interaction with students has gone viral in which they are seen discussing that the Metro will help save commuting time by 45 minutes, and he advises them to use 15 minutes of this time daily to perform yoga.

Modi was accompanied by chief minister Eknath Shinde and deputy chief minister Devendra Fadnis for a journey between Gundavali and Mogra stations.

After completion of the trip, Modi left for the airport to reach New Delhi.

Modi also launched the National Common Mobility Card and Mumbai 1 app for ticketing on these routes.

The PM visited the Mumbai Metro photo exhibition at the station. Metropolitan commissioner SVR Srinivas explained the features of the project.

The commercial run of the 35km-long corridor will commence from 4pm on Friday. MMRDA plans to run services between 6am and 10pm at a frequency of 8 minutes.

Line 2A connects Dahisar (East) with DN Nagar in Andheri (West) and Line 7 joins Andheri (East) with Dahisar (East).

The six-car rakes, with a capacity to accommodate 2,200 passengers, have been manufactured by Bharat

PM advised students on Thursday to use the time saved by taking the Metro on doing yoga for 15 minutes daily

WFH eases road congestion but Metro 1 commuters complain of 'inconvenience'

Mumbai: Barring a few places in the city, road traffic was not hit on Thursday during PM Modi's visit as many office-goers chose to either return home earlier in the day, change their travel plans or work from home (WFH). However, daily Metro 1 commuters said they were "inconvenienced" due to the closure of the Versova-Ghatkopar line during the launch of Metro 2A and 7. Metro authorities said they had well in advance informed all citizens—on social media and through announcements—about Metro 1 shutdown for around two hours.

There were video clips on social media of commuters anxiously waiting for the Metro gates to open at 7.30pm. Officials said there were smooth operations once services resumed.

Police were posted in large numbers to manage vehicular traffic flow. Andheri residents,

who are protesting about Gokhale bridge's closure, said commuting was a breeze. "I travelled from Chakala to Irla in just 20 minutes," a resident posted on WhatsApp. A SoBo resident who decided to leave home early to catch a flight, said it took less than the usual time to reach the international airport. Some changed travel plans anticipating congestion in the western suburbs. "I had an urgent dentist appointment in Andheri West, but decided to postpone it by a day," said a Chandivli resident.

In the evening, congestion was reported on parts of Western Express Highway at Goregaon (E), Gundavali in Andheri and Parsiwada in Vile Parle. Cabs were plying in lesser numbers than usual. "App cab drivers decided not to take out their vehicles anticipating major jams," said a leader of an aggregator cab union.

Earth Movers Ltd under the Make In India initiative.

The service will start at 6am from Andheri West (Line 2A) till Gundavali (Line 7)

and the last service will be at 9.24pm.

From Gundavali, the first train will operate at 5.55am and the last at 9.24pm.

Phase I of the project on a 20km stretch was opened between Dahisar and Aarey in April 2022.

TUTOR SYSTEM

We, in our institution, have a unique system known as the Tutor System. In this System a class consisting of 120 students are divided into 3 batches of approximately 40 students each.

Each batch of 40 students is in charge of a tutor a teacher who teaches in that particular division. The tutors maintain the personal data of the students. Parent-tutor meetings are held regularly. Performance in the Examination or Test and General behaviour of the student are also discussed in this meeting. Feedback forms are provided in which Student / Parents write more about their difficulties and give their suggestions for improvement. The tentative dates of the Tutor Meetings for the Academic year are mentioned in the academic calendar provided to the students in the month of July. Details of students attendance are displayed on the notice board and college website every month.
